11th July 2013

44 CREEK ROAD, HAYLING ISLAND, PO11 9RD

Dear Mrs. Smith,

Thank you for your letter of the 25th June 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The proposal will create a building in multiple occupancy to provide for the safety and security of residents and visitors I recommend:

1. The communal access door should be to PAS24 standard
2. Individual apartment front doors should be to PAS24 standard
3. An audio visual access control system should be installed

The proposal does not show any on site parking provision. If this is the case it is likely that the proposal will place an addition burden on the local 'on street' parking provision. I would remind you that research has shown that vehicles parked on the public highway are many times more likely to be the subject of an incident than those parked on private space. Therefore, I recommend that on site parking is provided.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,
