Dear Mr Allison

Time for our renewal of planning application again, I've completed the form online with all the docs and payment by post.

The paragraph high lighted below refers to the last planning application in 2009, I hope this statement is still true for this application.

Re The Town and Country Planning Act 1990

Site Address: Scout Headquarters, adjacent 65 New Lane, Havant PO9 2JN

Planning Portal Number: PP-02664053

Proposed Development: Renewal of temporary permission for retention of steel storage container at rear of existing building adjacent 65 New Lane, Havant PO9 2JN.
09/60252/004 refers.

With reference to your letter of 15 October 2009 and our meeting on Friday 13th November 2009, I am writing to confirm that it was agreed that elevation drawings were unnecessary in this case as the photomontage provides the same info. Floor plans and roof plan are both included in block drawing numbered Appendix 1.

Hoping all is now satisfactory but please do not hesitate to contact me on above number.

Yours sincerely

Alan Snocken
