Flat Roof Solutions

Flat Roof Kerb

All the benefits of a VELUX Roof Window in a flat roof.

- Insulated timber kerbs to allow the installation of standard VELUX Roof Windows in a flat roof.
- Select the insulated timber kerb to match the size of your Roof Window.
- Roof Window not included. Allows you the flexibility to select the most appropriate type of Roof Window for your application such as White Polyurethane finish or INTEGRA®.
- **Glazing with a laminated inner pane is recommended for high level applications.**
- Roofing material is dressed up the sides of the kerb, then overlapped with the aluminium cover parts.
- 10 year VELUX guarantee.

Flat Roof Design Inspiration

Combine windows for a dramatic Atrium effect.

For a high-impact design feature, and to bring even more light into a flat roof extension, consider combining a number of VELUX Centre-Pivot Roof Windows to create an Atrium.

- Centre-Pivot windows available in Natural Pine or White Polyurethane finish.
- Glazing with laminated inner pane recommended for high level situations.
- Use with VELUX INTEGRA® for hard to reach situations.
- Contact VELUX for further details on **01592 778 225**
