Proposal

Crown raise to 5.3 metres, 2 no Holm Oaks (T5 and T6).

Works to alleviate statutory nuisance over the public highway.

Comments.

The two Holm Oaks in question are small mature specimens which stand in the highway verge adjacent to 32 South Road.

At the time of inspection, both Holm Oaks were found to be in reasonable condition. Some minor branch encroachment was noted, and the proposed work to alleviate this encroachment appears to be reasonable in this instance.
