Hi Lucy / Robyn

The area the greengrocers occupied was in fact a garage before they moved there. Its tiny, long and thin. It is unlikely that anyone would want to use it commercially and it makes sense to me for the chemist to expand, I therefore see no reason to oppose the proposal.

Jeff

Would be interested in your thoughts on this app APP/13/00473 for the former greengrocers next to Davies Chemists on West Street. It appears to involve the loss of ground floor retail in our primary shopping area as well as the loss of first and second floor offices that I am not so concerned about.

Thanks

Lucy
