Dear Rachael

RE: Land adjacent to No 3 legion, road Hayling Island, Hampshire, PO11 9ES.

My planning application has been presented to you for your consideration and it has been brought to my attention that parking could be an issue, I would like to draw to your attention to everyday accounts regarding parking to this area firstly we are in a none through road and there are only 3 houses that use the end section of road you can stand outside for 2-3 hours and you won't see a car. There is also a large car park as my next door neighbour, this car park is never used and it holds about 40 cars and I have never seen more than 3-4 cars in it at any time so without any stretch of the imagination I have no problem with parking. I have enclosed a photo taken during a normal day, the van in the car park is mine, I hope as I have demonstrated there is absolutely no issue with parking in this area also there is parking for at least 1 car outside of No 3 Legion road and 1 car outside the proposed new cottage both are in use, once again thank you for your help and professionalism at all times.
