

Design Statement

Description

This planning application proposes the removal of a single storey side extension and replacement with a two storey side extension.

Architectural Form

The new extension is designed to be in keeping with the scale and style of the existing property and surrounding neighbours. The new extension will have a traditional roof form which will be visible from the public road and is in keeping with the existing roof lines of the property.

Materials

The proposed materials are in keeping with the property and its surrounding neighbours. The facing materials are to be red brick to match the existing property. The new roof will be finished with cement tiles to match the existing.

Windows/Doors

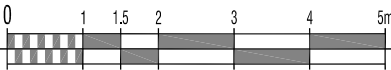

White PVCu double glazed windows and doors are proposed in keeping with the existing and surrounding.

Existing Front Elevation

Existing Rear Elevation
