Date
02/07/2013

Dear Sir

Proposal: Engineering works to improve drainage, groundworks to remodel golf course and landscaping works to increase land levels. (Revised Application).

Site: Portsmouth Golf Club, Crookhorn Lane, Waterlooville, PO7 5QL.

APP/13/00548

Thank you for your letter of 14/06/2013.

The submitted drawing shows the pond adjacent to the 18th hole discharges to a culverted water course and hence to the public sewer, the drainage plan does not indicate how the discharge to sewer will be controlled, the developer can discharge surface water flow no greater than existing levels and it is ensured that there is no overall increase in flows into the sewerage system

Yours faithfully

Developer Services
