

Addendum to Design and Access Statement

Single storey extensions and change to fenestration.

**Fawnhope residential care home
54 Stockheath Road Havant PO9 5HQ**

Staff parking provision:

Fawnhope residential care home operated a three shift system during which two staff are on duty:

Night 8pm to 8am

Day 8am to 2pm

Evening 2pm to 8pm.

One staff member drives to work for the day shift.

One staff member drives to work for the evening shift.

A full time manager is on duty during the day shift 5 days. (Long term employee who walks to work).

A full time chef is employed from 6am to noon five days. (Long term employee who cycles to work).

A part time cleaner is employed from 6 am to 10am 5 days (Long term employee who cycles to work).

As demonstrated, only one car parking space is occupied at any one time by a member of staff.

Fawnhope care home is situated in a large residential area from where staff are recruited, most staff either walk or cycle to work and almost all are long term employees.

Nearby are bus stops that enable easy access to the wider Leigh Park area and Havant town centre.
