Email 1 of 2

Dear David

Please find attached 2 emails containing the final plans to now allow HBC to reconsult on the planning application (12/00772). The following is provided with this email and the email to follow:

- Proposed Drainage Plan, drawing no. 9964-500 revision P4, Reuby & Stagg
- Proposed SUDS Details, drawing no. 9964-501 revision P2, Reuby & Stagg
- Landscape Strategy, drawing no. L001 revision A, Savills
- Site Plan, drawing no. 103 revision DD, Sherlock Boswell Architecture
- List of documents and drawings 01 02 13, Savills

As per the final bullet point, I have provided a comprehensive list of all documents and drawings for consideration to provide 'at a glance' the current position on the up to date revisions.

I look forward to an email confirming receipt of these 2 emails and their attachments and subsequently confirmation of the reconsultation of the planning application in accordance with the attached and the additional details/documents sent to you on the 20 December 2012.

Kind regards
Stuart
