- 3 List of Community Facilities within the Area
- 4 Details of Public Transport

1.0 Introduction

- 1.1 WYG Planning and Environment have been instructed by Hart Plain Avenue Limited to prepare an assessment of existing community facilities and services to accompany the planning application for the residential redevelopment of land at the former Brewmaster public house, Hart Plain Avenue, Waterlooville.

Planning policy

- 1.2 Policy DM2 of The Havant Borough Council Core Strategy (March 2011) has regard to existing community facilities and shops. This Policy seeks to protect against the loss of any premise or land currently or last used as community services and facilities, and only permits development where both of the following two criteria are met:
- 1. It has been demonstrated, through an active marketing process that the premise or land are no longer viable for their authorised use or any other use which would provide a beneficial facility to the community.*
 - 2. The facility is no longer required for a community use or that there is easily accessible existing or new facility for the community it is intended to serve.*
- 1.3 The supporting paragraph 10.08 identifies that Policy DM2 relates to “small local shops” and “to community facilities including health and education facilities, places of worship, community halls and public houses”, as such the definition of community buildings extends to public houses. Furthermore, it is necessary to identify and assess the level of existing community facilities within the area to identify whether there is adequate provision and as such whether the loss of The Brewmaster site as a community facility is justified.

The Brewmaster, Hart Plain Avenue, Waterloooville

- 1.4 Pre-application discussions were undertaken with Planning Officers at Havant Borough Council for the previous scheme reference APP/11/00893, in which it was stated that a review and assessment of existing community facilities and services would be necessary in order to address the loss of the public house. In line with this approach, this report identifies the existing community services and facilities, and demonstrates that existing facilities can adequately provide for the needs of the local community.
- 1.5 This Assessment addresses the second part of Policy DM2; the accompanying Marketing Report deals with the first part of Policy DM2.

The Brewmaster, Hart Plain Avenue, Waterloooville

2.0 Marketing/Viability

- 2.1 Prior to the applicants' purchase of the site in April 2010 it was marketed through agents for £295,000 freehold. This failed to generate any significant viable leads or offers apart from the applicants.
- 2.2 Since the applicants' purchase of the site, it remained available on the market and was marketed from May 2010. During this time no additional market interest was forthcoming from any party (a copy of the sales particulars are enclosed at Appendix 1). Following this period of marketing the applicants applied for and were subsequently granted planning permission for a scheme including 11no. residential units and a convenience store, with an operator lined up to take the premises.
- 2.3 However the succeeding planning application for a new shopfront at The Green Dragon approved under reference APP/12/00207 has seen the conversion of the public house to a convenience store, now occupied by a Tesco Express. This has absorbed the market for such a facility in the area, and as a result the intended occupier for the convenience store at the Brewmaster has withdrawn their interest. The premises have remained continuously marketed with agents boards displayed on site, but no interest has been shown from any viable party. The Marketing Report from Lambert Smith Hampton explains the marketing process in more detail.

3.0 Alternative Community Facilities in the Area

- 3.1 As part of this assessment we have undertaken a thorough assessment of existing facilities and services currently provided within the locality of the site and a review of public transport links to the wider area.
- 3.2 In determining the level of existing facility and service provision in the area, an initial desk based assessment has been undertaken and was supplemented by a site visit on 9th July 2012. A plan identifying the locations of the identified facilities and services is enclosed at Appendix 2 and a full list is enclosed at Appendix 3.
- 3.3 The study has identified the following:
- Within 400m of the site:
 - o 1 x convenience store
 - o 1 x hairdresser
 - o 1 x special school
 - Within 800m of the site:
 - o 1 x public house
 - o 1 x health centre
 - o 1 x pharmacy
 - o 2 x convenience stores
 - o 1 x primary school
 - o 1 x special school

The Brewmaster, Hart Plain Avenue, Waterloooville

- o 2 x community centres
- o 2 x places of worship
- o 4 x food takeaways
- o 3 x hairdressers

- Within 1.2km of the site:
 - o 2 x public houses
 - o 2 x health centre/ doctor's surgery
 - o 2 x pharmacies
 - o 5 x convenience stores
 - o 2 x primary school
 - o 1 x secondary school
 - o 1 x special school
 - o 2 x community centres
 - o 3 x places of worship
 - o 11 x food takeaways
 - o 4 x hairdressers
 - o 1 x florist
 - o 2 x betting offices

Public Transport

- 3.4 In addition to the good level of existing service provision, there is good public transport provision within the locality, with several bus stops located along Hart Plain Avenue, providing frequent and direct access to nearby local centres of retail, leisure and employment opportunities by bus. Bus timetables and route maps are attached at Appendix 4.
- 3.5 In summary, numbers 39 (Stagecoach) and 40 (First Bus) each operate along Hart Plain Avenue and Eagle Avenue every 15 minutes, passing the site.
- 3.6 Stagecoach service 39 operates between Eagle Avenue and Havant bus station. This provides direct access to Waterlooville precinct in around 10 minutes and Havant bus station in around 35 minutes.
- 3.7 First Bus service 40 operates between Eagle Avenue and Southsea, via Portsmouth. This provides direct access to Waterlooville precinct in around 10 minutes and Portsmouth city centre in around 55 minutes.
- 3.8 Furthermore, both routes 39 and 40 pass The Rainbow public house and terminate at the junction of Eagle Avenue/ Milton Road which provides convenient access to the Tesco Express, formerly The Green Dragon public house.

The Brewmaster, Hart Plain Avenue, Waterloooville

4.0 Alternative Public House Provision

4.1 The Brewmaster provided the following facilities:

- Large screen TV
- Pool
- Bar food
- Car park

4.2 The assessment of community facilities has identified the following as the closest alternative public house provision within the area:

- The Rainbow, Milton Road, Waterloooville – around 590m south of the site. This public house provides:
 - o Large screen TV
 - o Beer garden
 - o Live music
 - o Pool
 - o Car park
- The Falcon, Hambledon Road, Waterloooville – around 1km south west of the site. This public house provides:
 - o Bar food
 - o Large screen TV
 - o Beer garden
 - o Entertainment/ live music
 - o Car park

The Brewmaster, Hart Plain Avenue, Waterloooville

- The Spotted Cow, London Road, Cowplain – around 1.3km east of the site. This public house provides:
 - o Food
 - o Beer garden
 - o Children's play facilities
 - o Large screen TV
 - o Entertainment
 - o Car park

4.3 It is concluded therefore that residents living in close proximity to The Brewmaster still have access to a range public houses offering equivalent facilities within a short distance, ensuring that there is an adequate provision to meet local needs.

5.0 Alternative Convenience Store Provision

5.1 The Assessment of Community Facilities has identified the following as the closest alternative convenience store provision in the area:

- One Stop, Hart Plain Avenue, Waterloooville – around 25 metres south of the application site.
- Co-op, Milton Road, Waterloooville – around 595 metres south east of the site.
- McColl's, Hambledon Parade, Waterloooville – around 1.1km south west of the site.
- Cost Cutter, Milton Road, Waterloooville – around 1.1km north east of the site.
- Tesco Express, Lovedean Lane, Waterloooville – around 1.2km north east of the site.
- Lidl, Cowplain Village Centre – around 1.25km south east of the site.
- Co-op, Cowplain Village centre – around 1.3km east of the application site.

5.2 These convenience stores range in size from smaller top-up stores to supermarkets and are well served by public transport. They provide sufficient convenience facilities to meet the needs of the local population.

5.3 It is therefore concluded that the residents living in close proximity to The Brewmaster have good access to a range of convenience stores within a short distance. The recent conversion of the former Green Dragon public house to a now Tesco Express has seen provision increase in the locality and has absorbed any additional need for such facilities, ensuring that there is adequate provision to meet local needs.

The Brewmaster, Hart Plain Avenue, Waterlooville

6.0 Discussions with Community Representatives

- 6.0 As part of the former application (ref APP/11/00893) discussions with the Community Board's Support Officer Helen Wood at Havant Borough Council were held to ascertain whether there were any perceived deficiencies or aspirations from local residents relating to community facilities and services within the area. The enquiry was referred to Councillor Gerald Shimbart, who was and remains the local Ward member for Hart Plain on Havant Borough Council and was temporary Chairman of the Waterlooville North Community Board at that time, which covers this part of the Borough. He is a local resident.
- 6.1 Havant Borough Council website identified that the Community Boards were *"part of the Havant Local Strategic Partnership and were set up to represent local opinions and aspirations, wants and needs. They do this through their members as representatives of the local population and through inviting the general public to their meetings. The Community Boards will be able to determine longer-term priorities for their areas, thus providing advice and information on local issues to partners on the Havant Community Partnership Board, to inform decision-making"*. The Community Boards therefore operated to identify and represent the needs and views of the local community and whilst these are no longer in existence The Waterlooville North Community Board is due to be replaced by the Waterlooville Forum, which will perform a similar role within the community.
- 6.2 Cllr Shimbart stated that The Brewmaster had been a very unpopular public house with local residents and attracted a significant level of anti-social behaviour. He considered that this area had an appropriate level of service provision to meet needs was not aware of any additional facilities or services that are demanded by local residents. Furthermore he has never been contacted by any residents requesting that further facilities be provided.

Conclusions

7.1 It has been identified through the marketing undertaken for the site that any interest in occupying the site for a has since been displaced by the provision of a Tesco Express at the former Green Dragon Public House and there has been no interest from any prospective future occupiers to acquire this site for any future use as a community facility or to continue as a public house. In addition to public houses, Policy DM2 of the Core Strategy also relates to:

- Local shops
- Health and education facilities
- Community halls; and
- Places of worship

7.2 It is considered that there is a good level and range of existing services and facilities in close proximity to the former Brewmaster public house, including The Rainbow public house around 590m from the site and a further public house (The Falcon) around 1km from the site both of which have equivalent facilities to those that were offered by The Brewmaster, including car parking facilities. Furthermore, there is good provision of convenience stores within a short distance of the application site, providing sufficient facilities to meet the needs of the local residents. Any demand for additional convenience store provision was absorbed by the recent conversion of the former Green Dragon public house to a now Tesco Express.

7.3 The area is well served by community centres (The Acorn Centre) and places of worship (Hart Plain Church and Wecock Church) within 800m of the site, all of which have car parking facilities and provide meeting rooms/ halls that are available for community uses/ groups and act as meeting places for the public. There is also a health centre with car park

The Brewmaster, Hart Plain Avenue, Waterlooville

around 700m from the site and a number of food takeaways. Further a very frequent bus service connects the site to services and facilities to the wider area.

- 7.4 The locality around the former Brewmaster public house therefore already provides the complete range of facilities and services that are necessary to fully meet the needs of local residents. In particular the small local parade already includes a convenience store (One Stop). It has been independently confirmed through discussions with Councillor G Shimbart that there is no identified need for any additional facilities or services within this area and he has not been contacted by any local residents who desire additional facilities.
- 7.5 It is concluded that, following the completion of this community facilities and services assessment and in accordance with the requirements of Policy DM2 of the Havant Borough Core Strategy (March 2011), there is adequate provision of alternative community facilities within close proximity of this site. Consequently the loss of The Brewmaster site as a community facility will not have any detrimental impact on the range, level or quality of community facility provision within the area or result in any local needs being unmet.
