

Approximate extent of Phase 1 Plot 2 B8

- 12** View from corner of field along Footpath 120 looking south west across sloping arable field, with views opening out further to the south towards the A3 (M). To the left of the view is Bell's Copse and Park Lane Stream with the outer reaches of Havant and Leigh park concealed to the left of the view behind the existing tree line.

Phase 2 Plot 2 B8 located on east of pylon line

- 13** View from pedestrian bridge along Bridleway 123 across the A3 (M) looking south along the motorway corridor and the associated embankments and mature vegetation. There would be no change to the view following construction as the raised embankments and planting would screen views towards the development.

- 14** View from pedestrian bridge along Bridleway 123 across the A3 (M) looking south along the motorway corridor and the associate embankments and mature vegetation. There would be no change to the view following construction as the raised embankments and planting would screen views towards the development.
