

HAVANT BOROUGH
COUNCIL

31 AUG 2012

RECEIVED

I refuse to pay any money towards the up keep of the park and I would like to ask you to allow for the park to be removed!

Yours Sincerely

Mr & Mrs S. Weiler.

House Number and Address

2 LAMB WALK, HAVANT HANTS PO9 4BW

Comments

We live opposite this park and have only been owners of the above property since July 2011, and it has got considerably worse every day, having a gate (now removed for the 2nd time due to youths (non residents) breaking it, opposite our house has been a nightmare, we don't want groups of youths in front of our house all the time, and therefore a main gate at the bottom is more than adequate for this eyesore!!! Same goes for No 4 Lamb Walk another broken gate opposite a resident.

Ridiculous idea

These gates have both caused considerable inconvenience and should be replaced with panels instead.

Dear Tammie

As you will appreciate I will not be able to attend tonight's meeting but I would like to add my support to your efforts to make this development a safer place to live in.

You may be aware Brian has had Palliative Care Nurses in and out over the past week and because of the ridiculous bollards (which indecently, I have never yet seen anyone use as the pathway they are supposed to dictate) and the amount of Vans and Cars parked in the road, it has been impossible for them to get parked.

As for the play park, I suggest Havant Borough Council whom I believe came up with this wonderful idea should now take responsibility by erecting CCTV cameras, and passing the cost of the damage done by these little angels on to their parents.

We bought our home because we love it but the thought of living here on my own is not one I relish.

Yours sincerely *

Brian and Lesley Dunk

HAVANT,
Hampshire
PO9 2AX

Dear Sir/Madam,

Re: Parchment Place - Official Complaint and Petition

Please take time to carefully read through the contents of this cover letter regarding petition that we, the residents of Parchment Place Development, are officially sending to you for the removal of the children's play area. It is the general consensus of all residents is that the way in which our park being treated is cause for extreme concern, particularly so as it we who are funding its upkeep.

It is well known that the Warren and surrounding areas have not had the best of reputations over the years; despite this the Parchment Place Development (Bellway Homes) up until recently bucked this trend. It started out as a clean, tidy, quiet and pleasant area in which to reside and provided us with an area of which to be proud of living. With the installation and opening on 9th May 2011 of our children's play area, this is no longer the case and it is now nothing short of bedlam, attracting youths from various areas of Leigh Park and beyond. These youths seem hell bent on causing damage and disruption in the play area and its surroundings, as well as cause for high levels of angst amongst the residents.

We have compiled a list of regular occurrences to give you an insight as to what we, the residents, have to bare on a daily basis.

- Urinating on the children's play equipment and the newly planted trees.
- Human excrement in the bin sheds.
- Excrement on the play equipment.
- Urinating against the boundary fences.
- Theft from resident's children.
- Jumping over fences into residents gardens.
- Graffiti on the park equipment.
- The breaking of boundary fences to make access points.
- Resident's children suffering verbal abuse for daring to play in the park.
- Turfed areas being constantly ripped up.
- Newly planted trees and shrubs being broken.
- The swing was stolen within hours of being put in place.
- Park equipment being set alight.
- Verbal assaults.
- Theft from vehicles.

- Resident's properties suffering criminal damage.
- Drunken individuals using the play equipment in the early hours.
- Large quantities of litter & debris being dumped.
- Hampshire Police having to be called on an almost daily basis.

Some residents are now living in fear, during what should be a happy period in their lives enjoying their new homes! It should be noted that we all agree that these issues have arisen since the installation of this park and that all these problems in our development are carried out by people coming in from the surrounding areas. Sadly, many children on the development are now not permitted to use the park by their parents and a number of residents are avoiding using their designated parking spaces as the fear for the safety of their vehicles.

As residents of Parchment Place it is us who will ultimately foot the bill and we are not willing to stand for this. Why should we fund an area within our development that you stipulated should be there, for youths from surrounding areas with no affiliation to anyone paying for the parks upkeep to come in and destroy it? This will ultimately lead to the upping of our future annual costs as residents for its continued maintenance. As a direct result of the emergence of all of these issues, a number of residents are already considering moving away from the area.

We wish to return the area to a peaceful and respectable place to reside and ask that you help us do so by allowing the removal of the focal point of all this angst. We have enclosed the petitions signed by the residents of Parchment Place calling for the removal of the children's play area as a clear statement of the unease felt in Parchment Place at present.

We await your prompt reply on the matter.

On behalf of The Residents of Parchment Place

Enc. Copies of residents signed petitions.

Dear Neighbour

20.10.11

Update about the Play Park on our Estate,

Further to various emails to the Planning Department at Bellway Homes, and Havant Borough Council this is the current situation.

Bellway have no objection to the removal of the equipment in the Park, But it has to be agreed by Havant Borough Council (which have our petition)

At the moment it seems the Council want the Equipment to stay.

We are totally pushing the point to the Council we the Residents want the PARK to stay but the EQUIPMENT removed and the area grassed over, to still create a nice area for younger children to bring their own toys and have a nice area to play. Thus discouraging the older non residential children from being on the estate. Also the main factor, COST to the Residents by having the Equipment remaining, because our Estate Charge is not capped we the Owner Residents will be paying more. The Council are insistent that their Social Housing Residents pay an amount with their rent towards the Estate charge, but when asked if the FREEHOLD Residents charge increases every time will they then increase their Rents ? No answer has been given.

Can you therefore please Complete the enclosed FORM and return to me ASAP, so then alongside the Petition already given, this Survey will also add strength to the consensus of opinion.

Thanks

Steve Weller

Acting Chairman for the Residents.

SURVEY ABOUT PLAY PARK

OCTOBER 2011

Name/address

NEIL SWALES
1 THE COACH HOUSE,
PENFOLD WAY, PO9 4NF.

Would you like the EQUIPMENT ONLY to be removed.

~~YES~~/NO

IF YES TO THE ABOVE

Would you like the area to be grassed so young

Children can still play with their own toys and enjoy the park.

(bearing in mind Planning Dept, made the PARK the proviso
before houses could be built on the Estate) And this will be the
cheaper option- no costs to Residents. YES/NO

IF NO TO GRASS - what would YOU like put in place of the
EQUIPMENT. Bearing in mind, the other part of the park area
in front of Lamb Walk would have to remain due to the existing
Planning stipulations imposed by the Council.

Additional Comments:

ADDITIONAL PARKING IS ESSENTIAL,
NOW IS THE TIME TO PUT THAT IN PLACE,

Please return to Mr.S.Weller - 2 Lamb Walk, who will be
enclosing them with a letter to H.B.C.
