28th March 2013

7 BEACH ROAD, EMSWORTH, PO10 7JS

Dear Mr. Nash,

Thank you for your letter of the 11th March 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The proposal shows the front door to the side of the property. In this position there is reduced natural surveillance of the front door and less surveillance of the street from the front door; which increases the vulnerability of the door to crime. To reduce the vulnerability of the door I would recommend that the front door is moved on to the eastern elevation (street) of the building.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
