Site Address: 15 Fishery Lane, Hayling Island, Hampshire, PO11 9NP.
Ref: Garage construction to west side elevation.

Dear Mrs Hebdon,

I have been approached by Mr Steve Davis as owner of the above address and kindly asked if I have any objections to the construction of a single garage to the west side of his bungalow and adjacent to my property.

I understand the garage will be of red brick construction with a pitched roof and tiled to match the existing. I have seen the preliminary drawings and also understand the side wall will be set back 900mm from the boundary fence. With all this in mind I hereby give my consent.

Yours sincerely
