Dear Sirs

**South Downs College, College Road, Waterloville
Proposed Provision of a New Gas Bottle Compound, Catering Store and
Associated Bin Compound**

I enclose a Planning Application for the above site.

The application comprises:-

- 4 copies of the Application form APP1. This form has been completed on the Planning Portal and printed directly from the portal.
- 4 copies of drawings E250111/01, 02, 03, 04, 05, 06 and 07.
- Certificate A (included as part of form APP1).
- Agricultural Holdings Certificate (included as part of form APP1).
- Design and Access Statement.
- Land Contamination Assessment
- Planning fee cheque in the sum of £170.00

The works which form the application are:-

- 1 The construction of a new Gas Bottle Compound to the eastern side of the existing East Building.
- 2 The construction of a new Bin Compound and alterations of an existing area to create a new Store for the Catering Department.

Principal: Michael Oakes MA (Cantab.)

INVESTOR IN PEOPLE

27 January 2011

Subject to receipt of the decision by Havant Borough Council's Planning Department, it is anticipated that these works will be carried out during the College's forthcoming summer holiday.

We will be pleased to answer any questions you may have regarding this application.

Yours faithfully

Dr John B Manterfield
College Secretary

Copies to: Premises Manager
Mr G Dugan
