Dear Ms Howson

Re: 37 Battens Way – 2 Storey Extension

Please find attached the following documents as requested:

1. Plan from Southern Water showing outline of proposed extension
2. Receipt regarding Discharge of Conditions Fee – Ledger Code: 2795 4015 dated 11.05.10
3. Letter from Southern Water – FAO: Mr Thomas regarding Issue Conditional Notice of Passing of Plans stating under condition 3 – 2. "No construction work parallel to sewer within 1.0 metres in plan. And As advised yesterday evening you are hereby served written noticed to vacate 41 Battens Way on the 19th July 2009 – property to be left by 20th July mid-day (no later 12.00 hrs). Regarding 3 – 3"...foundations to be taken down 150 mm below the invert level which is approximately 1.8 metres in depth.

With regard to your query concerning the disposal of the following:

Rain Water: This water will be directed into the existing Rain Water drain

Waste Water: These Waters will be directed into the existing foul drain

Regarding the letter from Southern Water dated 29th January 2010, no piling work will be carried out at 37 Battens Way, all trial holes will be dug.

Could you please advise when it would be convenient for yourself to attend the excavation of the trial holes?

If there are any further queries, please do not hesitate to contact either:

Darren Heap (Builder) – 07929 785851

Martin Bryant – 07929 407888 – 02392 426679 (after 16.30 hrs)

Martina Bryant – 02392 239230 (Work 08.00 hrs to 16.10 hrs), 07717 763424

Thanking you for your help

Best Regards

M Bryant.
