

Application No. APP/13/00333

Address: 2A Emsworth Road, Havant PO9 2SR

Comments

This is a modern property situated outside but immediately adjacent to the conservation area and 2 Emsworth Road (grade II). The extension is set to the rear and modelled on the design of the present building. It will not have any adverse impact on the conservation area or setting of the listed building in my view. No objection.

John Townsend
