Richard

Thank you for the consultation regarding the recent planning application submitted by the Club (No: APP/13/00262) for a single storey extension to the north elevation of the existing changing rooms.

This land is owned by Portsmouth City Council and leased to HBC for open space/organised recreation. We have granted an underlease to the Club of the site of the clubhouse and pitch and separate licences for the car parking areas. Under the terms of the underlease the Club is only permitted to construct buildings/facilities as approved by HBC. I confirm that we have received a Notice No 1 dated 15/3/2013 in respect of this application.

I'm assuming there are no objections to these works from the Open Spaces/Sports Development points of view and I've copied this to Andy & Richard for confirmation. Please follow this link for details of this application:
<http://www5.havant.gov.uk/ACOLNETDCOnline/acolnetcgi.gov?ACTION=UNWRAP&RIPNAME=Root.PgeResultDetail&TheSystemkey=229784>

The City Council's consent may also be required under the terms of the lease to HBC and so I'm consulting PCC concerning this application.

Thanks very much.

Richard
