

21/07/11

11/00946 TPO

9 Thistle Down, Waterloooville.

Proposal.

Crown reduce 2 no Beech trees, T1 and T2, reduce height by 4.0m and sides by 2.0m all round.

Trees have grown large in close proximity to the house.

Comments.

The two Beech trees in question are small mature specimens located on the northern garden boundary of the property.

Both trees appear to have been pruned and maintained previously and both appear to be in reasonable condition.

A public footpath runs beneath the northern canopy of the Beech trees.

The proposed works to reduce the size of the Beech trees should allow them to be retained in this location.

Consent Granted.

9 Thistle Down, Waterloooville.

J01: BS3998 (2010)

J09: Two small mature Beech trees, T1 and T2, located on the northern garden boundary of the property.

Crown reduce by no more than 4.0m in height and 2.0m in crown spread.

Remove deadwood as necessary.

12 months from the date of this decision notice.

The applicant shall give at least 10 days notice of the proposed start date for the approved works.

David Harris.
