Dear Mrs Hebden,

Please find enclosed a revised planning application (previous application APP/11/0145).

We have taken note of our neighbour's objections to the previous application; we have now moved the south facing wall of the planned extension in from our dividing wall by 230mm. This should dispel all their concerns made in their letter dated 20th June 2011.

Yours sincerely

Mr & Mrs J.N. Ellis
