

Application No. APP/12/00548

Address: 14, South Street, Havant PO9 1DA

COMMENTS:

I have not viewed on site but the supporting information is adequate to assess from a conservation area point of view. The property is unlisted but located in the conservation area. The work is to the rear. While in design terms I always try to avoid the situation here, where the bi-fold doors extend across the single and two storey elements of the building, it will not have a material impact on the conservation area, hence no objection. Apart from this one point appears a well designed solution.
