This architectural floor plan depicts a restaurant layout. On the left side, there is a long bar with a high-top seating area. Adjacent to the bar is a kitchen area equipped with various appliances and storage. The main dining area is divided into several sections: a large central hall, a smaller room with a gabled roof and a fireplace, and a room with a vaulted ceiling and a fireplace. The plan includes numerous tables, chairs, and decorative elements like plants and a large chandelier. A car is parked outside the building, and a small structure is visible in the background.
