

HIGHWAY ADOPTION KEY

PROPOSED ADOPTABLE ROAD AREA

PROPOSED ADOPTABLE FOOTWAY AREA

PROPOSED ADOPTABLE VERGE AREA

PROPOSED ADOPTABLE STREET LIGHT

A detailed site plan for a residential development. The plan shows a network of streets and individual plots. A central road is highlighted in yellow, indicating it is a proposed adoptable road area. Grey areas along the edges of the road and around plots represent proposed adoptable footway areas. Green areas, primarily along the edges of the road and around plots, represent proposed adoptable verge areas. The plan includes numerous numbered plots, some with internal details like house numbers and garden areas. A north arrow is located in the bottom right corner. The plan also shows existing infrastructure like a railway line and a pond.
