© Signscope,

Note: All printed colours depicted within this document are displayed for graphic presentation only. Final manufacture colours may vary. Always refer to colour swatches for final colour.

NOTE: Due to the overall proportions of the panel, aligning the 'hair' with eye line is impossible. Therefore closest possible solution given.

The exclusion area around the text should be a minimum of 50% of the width of the text area

Make sure eye line is aligned with 'Hair' text
