What Our Customers Say
"Many Thanks for your fantastic service! Will be using you again for our promotional events. An extremely grateful"

Wall Mounted Banner frames:

- Zinc Galvanised Steel Tube, Corners And Wall Mounted Brackets
- Heavy Duty Construction
- Attractive Easy Clamped Joints
- Complete Wall Mounted Banner Frames Solution
- Quick Change Banner Promotion Solution

A non intrusive design makes the wall mounted banner frame the ideal banner frame for mounting a banner permanently on the wall - Display your banner as it was intended with fully tensioned elasticated bungees. The bungees allow the banner to move in the wind reducing the windloadings on the banner and the frame.

Wall Mounted Banner Arms:

For banners that grab the attention of passers by, select Hampshire Flag's Wall Mounted Arms.

Designed to ensure banners are displayed effectively at height, these high quality stainless steel arms offer versatility and durability. Choice is key and with six widths to select from - 42, 52, 62, 72, 82 and 102cm, and either stainless steel or aluminium finish, there's a Wall Mounted Arm to suit almost every size banner.

With a tensioning bar system as standard, Wall Mounted Arms ensure banners are kept taught and are presented at their best - at all times. Hampshire Flag offers a UK-wide installation service if required.
