Why you think permission should
or should not be given

The application is based on access to the proposed development via Beaufort Road on the unadopted section shown on the redline drawing. This section of road is designated as privately owned and is maintained by the residents of that section of Beaufort Road. There is no indication that permission for access rights has been requested or granted. Number 82 does not have any existing rights. The residents who maintain the road are against the use of this access.
