Dear Daphney

42 Highfield Road, Waterlooville, Hampshire. PO7 7PX

Please find enclosed application for a non-material amendment following a grant of planning permission. The amendment relates to the re-siting of Houses E and F to allow granting of an Easement to Southern Water to allow maintenance of the Foul Sewer once diverted. I understand that Jason Smitherman has already discussed this matter with yourself and you did not see the amendment being a problem.

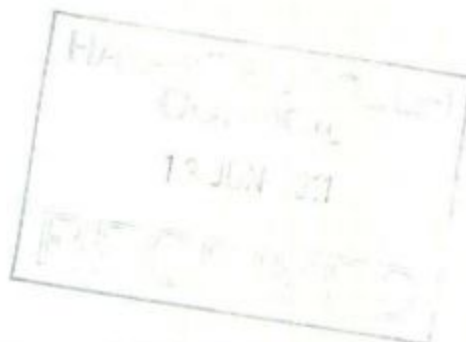

If my understanding of "non material" general guidance is correct, the re-siting of the buildings can be accommodated under this type of submission if the re-siting is not more than 1.0 metre difference.

If you have any queries regarding this submission please do not hesitate to contact me on 0208642 0513 or 07730064493.

Yours faithfully

Stuart Allington
