Dear Jacky Clark

Regarding our phone conversation on Monday 6 August, concerning Planning for my cattery.

I have enclosed three copies of the Ordnance Survey with the application site outlined in red as asked. Also just to verify that my own drawn plan I submitted is exactly as stated with all measurements taken exactly as they are.

However I would just like to mention that I do have parking spaces in the front of my house to accommodate two vehicles, not shown on my plan.

The Brow is a very quiet road and most people tend to park outside whilst visiting me and my fellow neighbours.

I hope that this letter along with the Survey will be enough information for you.

Kind regards.

Cherie Baker
