STATEMENT OF REASONS FOR WORK

We are applying for permission to have some work done to the trees because of the following health and safety reasons.

My wife is 83 and disabled. She has osteoporosis and can only walk a few steps, using two walking sticks. Because of the severity of the illness she needs to get as much vitamin D from sunlight as possible and must avoid trips or falls due to the increased risk of fracture. She is unable to venture in to the garden for much of the year due to the danger of tripping or slipping on the huge numbers of acorns and wet leaves. She is under doctor's orders to keep her head up as her spine is so worn away but she cannot do this as she needs to always look for twigs, acorns and leaves which may cause her to fall.

I am my wife's carer and I do my best to keep the garden clear of leaves and acorns but I am now 86 and as fast as I clear the leaves etc. they fall again as the canopy of trees now cover the majority of the garden, almost reaching our conservatory. I have recently slipped on the leaves myself.

As mentioned in the first paragraph, my wife needs sunlight, but it is difficult for the sunlight to reach our garden because of the trees. Also we are finding it more difficult to dry washing in the garden and we also have the problem of debris from the trees falling on to the washing.

284 Milton Road,
PO8 8JP.
