**The Town and Country Planning (Development Management Procedure) (England) Order
2010
Refusal of Planning Permission**

Application Number: APP/12/00629

Site Address: 62 St Marys Road, Hayling Island, PO11 9DB

Proposal: First floor rear extension. (Revision Application.)

Further to your application received on 21 June 2012, Havant Borough Council, as Local Planning Authority, **Refuses Planning Permission** for the above proposal.

The reason for the Council's decision to refuse planning permission is:

- 1 The proposed development would result in an excessive building bulk close to neighbouring residential property, which would appear overbearing and detrimental to the visual outlook and lead to a reduction in sunlight and daylight to the rear of the neighbouring house and garden to the east. This would be harmful to neighbouring amenities. The proposal is therefore contrary to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework 2012.

In coming to its decision the Council considered plans and other documents submitted with your application and the saved policies of the Havant Borough District Wide Local Plan 1996-2011, forming part of the Havant Borough Local Development Framework.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6573.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.
