**The Town and Country Planning (Development Management Procedure) (England) Order
2010**
Grant of Planning Permission

Application Number: APP/12/00532

Site Address: 46 Beach Road, Emsworth, PO10 7HR

Proposal: New sun room to front elevation following removal of existing conservatory; single storey rear extension; loft conversion incorporating new dormer window with Juliet balcony to rear and 3No. Velux windows; replacement detached single garage to rear.

Further to your application received on 21 May 2012, which was valid from 28 May 2012, Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with your application; and
- (ii) The following conditions:

Conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date on which this planning permission was granted.
Reason: To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.
- 2 The external materials to be used shall match in type, colour and texture those on the existing building, unless agreed otherwise in writing by the Local Planning Authority.
Reason: In the interests of the amenities of the area and having due regard to policy CS16 of the Havant Borough Core Strategy 2011 which forms part of the Local Development Framework and National Planning Policy Framework, March 2012.
- 3 The 'juliet balcony' doors to the rear dormer hereby approved shall at all times be fitted with a means of containment, such as a screen or restrictive bar, as indicated in the approved drawing, sufficient to ensure that access cannot be gained onto the external section of flat roof to the rear of the dormer, other than in the case of emergency escape.

Our Ref: APP/12/00532

Reason: In the interests of the privacy and amenities of the occupiers of nearby properties, because use of the flat-roofed area to the rear of the dormer, would give rise to direct overlooking to the immediate rear area of the neighbouring property to the north. With due regard to policy CS16 of the Havant Borough Core Strategy 2011 which forms part of the Local Development Framework and National Planning Policy Framework, March 2012.

- 4 The development hereby permitted shall be carried out in accordance with the following approved plans:

Drawing No.12057/001

Proposed Floor Plans, Elevations, Roof Plan, Sections, Block and Location Plan -

Reason: - To ensure provision of a satisfactory development.

The Council considers, having regard to the objectives of these policies and The National Planning Policy Framework, March 2012, that the principle of the development is acceptable in this case, and also that the impact of the development is acceptable in terms of the effect upon neighbouring properties and the effect upon the streetscene. Having taken into account the requirements of Section 38 (6) of the Planning and Compulsory Purchase Act 2004 and all other material considerations, the Council has determined that planning permission should be granted for the development.
