Dear Sir

Certificate of Completion - Section 106/278 Agreement
Selbourne Road, Brockhampton Lane, Solent Road, Havant
Date: 20th June 2006 Legal Ref: PT33A/1180

The Chief Engineer has advised me that the above works have been inspected and placed on maintenance with effect from 30th April 2008. I have instructed the Chief Executive to reduce the Bond to 20% with immediate effect. I would be pleased therefore if you would accept this letter as certification that the works have been completed to my satisfaction and placed on maintenance.

In accordance with the terms of the legal agreement I am also writing to request the payment of the fees incurred by the Director of Environment in undertaking the design check for the scheme. These fees amount to £23,261.00. I would be grateful if you could arrange for this amount to be paid to the County Council within 14 days of this letter.

Yours sincerely
