Havant Borough Council,
Planning dept.,

18, SOUTH STREET, HAVANT, HANTS.
REAR ADDITION AND INTERNAL ALTERATIONS.
FLOOD RISK ASSESSMENT

The proposal is for a single storey rear addition and internal alterations, the floor level being no lower than the existing dwelling and built in solid construction.
Plug and switch heights will be set well above floor level and wired downwards and the property has a first floor where the occupants can take refuge in the event of a flood.
Should you require any further information do not hesitate to contact me.

Yours sincerely,
