Dear Mas Clark
Tree "Oak" TA. next to the "Over
Camp Site. The reason I want the
tree cut back, as the branches are
putting the roof tiles and gutters
to my property; also I think its
too heavy especially with the weather
climate how it is.

Paul Jackson "Bud Tree Surgeons,
recommended. Crown back to old cuts 2m.
Remove ecoromunk growth to 4 metres.
Crown ^{rais} down to 4 metres.

Yours Sincerely
