Mr S Walters,
Manor Farm,
Manor Rd,
Hayling Island,

Dear Mr Walters,

As per your request I have checked my records and can confirm that I have been paying a monthly rental to S Walters from my bank by standing order since the beginning of 1996, but I know that in the very early days say a year I paid by cheque. This would take quite a lot of work with the bank etc to prove but I am confident I can do this if you need me to. The payment is to cover the two barns and in the early days a small area of open ground which has now been fenced. I do hope this sorts out your problems but should you require any further information please call me direct

Kind regards.
DJ Silver,
I.A.A.T.I.
