

All dimensions to be checked on site and any discrepancy notified to The Martin Ralph Group. Written dimensions are to be used in preference to scaled dimensions.

This drawing is the property of The Martin Ralph Group and must not be reproduced, in part or whole, or deviated from, without their permission.

It is essential that prior to commencement and during construction works, the contractor reviews the drawings and specification and discusses with the practice any inconsistencies, anomalies,

For both pricing and construction purposes Structural, Mechanical and Electrical Engineers designs, calculations and sizes etc are to take preference over the layout drawings. Any discrepancies

NOTE

Architects proposals.

Architects proposals.

The diagram illustrates the layout and planting of a garden area, showing various zones and their boundaries. The zones are defined by different colors and patterns, and their boundaries are marked with specific symbols.

- Pathway - walkway, pedestrian areas in block setting:** Represented by a light blue area at the top.
- Planting pedestrian areas in parking decks:** Represented by a light blue area with a grid pattern.
- Soft Landscaping areas:** Represented by a light green area.
- Green and planting zones:** Represented by a light green area with a grid pattern.
- Water landscape:** Represented by a light blue area with a wavy pattern.
- communal garden area for tenants - ex. flat sign:** Represented by a light green area with a grid pattern.
- Planting - vehicular:** Represented by a light green area with a grid pattern.
- permissible stock parking for all road and parking areas:** Represented by a light green area with a grid pattern.
- Site Boundary - 0.43 ha:** Represented by a red line.
- Site area not forming part of the contract but being transferred by the PCT to MCC subject to planning:** Represented by a hatched area.
- Trees outside the boundary - not affected:** Represented by a green area with a grid pattern.
- Trees:** Represented by a green area with a grid pattern.
- existing trees being retained:** Represented by a green area with a grid pattern.
- New Trees:** Represented by a green area with a grid pattern.
- Access points:** Represented by a red arrow.

AMENDMENTS	DATE
H possible landscape improvements	1/7/17/2
G PLANNING ISSUE	23.05/2
F Site plan and landscape plan updated following discussions with HBC Planning and Tree Consultant	10.05/2
E Access routes to rear gardens and areas around the site updated	02.04/2
D Updated site layout, indicate material/ boundary treatment details	30.03/2
C Site boundary adjustments made	14.03/2
B PRE-APPLICATION submission	02.03/2
A car parking and landscape updated	24.02/2
