Dear Sirs

Proposed Alterations to Vacant Store rooms to form 2No. two bedroom first floor flats facing Twittens Way at 30-32 East Street Havant PO9 1AQ

These store rooms were vacated in June 2010 and despite continual effort to let them have had no success.

The Works needed to convert this part of the building into 2 flats will not entail any extension. The only alterations to the external appearance will be raising part of the flat roof which is on the first floor to just below the level of the adjoining flat roof and replacement of the existing windows plus one extra. This first floor north elevation is set back and cannot be seen from street level in East Street. On the south and east elevations facing Twittens Way the replacement of the existing windows plus one extra and a small lean to tiled roof to form a cover over the existing external stairs..

The freehold of the flats will remain in the same ownership as the remainder of the building and will be offered for let.

Yours faithfully,

R.E.Wiltshire
