MR A.M. HASTLOW

210A STAKES HILL ROAD

WATERLOOVILLE

WANTS.

POT 7BT

31st JANUARY 2011

Dear Mr Weaver,

Further to your letter dated 26th October 2010 (ref GEN/10/00642), please find enclosed my completed application form and supporting documentation pertaining to my planning permission application for the widening of the dropped kerbs to the front of my house.

This work is required as the current width of my drive is such, that anyone approaching from the south, wishing to turn left onto my drive, actually has to take a swing that can easily take them into the path of oncoming traffic. I believe that I have completed all of the documentation correctly, but if you do require any further information I can be contacted on the telephone number at the top of this letter.

Yours sincerely

A.M. HASTLOW
