Dear Sir

Re : Proposed first floor extension and loft conversion – 11 Wallis Road, Waterlooville, Hants PO7 7RX.

I refer to the previous planning application ref : APP/11/00020 which was withdrawn - your letter dated 14 March 2011 refers and enclose the following documents as a revised planning application :

HAVANT BOROUGH COUNCIL
11 MAY 2011
RECEIVED

1) Planning Application forms – 4no. copies.
2) Certificate A and Agricultural Holdings Certificate – 4no. copies.
3) Drawing Nos : 613/01,02A,03 & 04 – 4no. copies.
4) Site & location plans – 4no. copies.
5) Design and Access Statement – 4no. copies.

I understand that a planning fee will not be applicable in this instance.

In support of this application I would state that the proposals have been revised to take account of the previous concerns raised by your planning officer as follows :

a) The rear first floor extension has been reduced in scale to minimise the impact on the adjoining neighbours property – 11A Wallis Road.
b) The dormer window to the loft conversion has been reduced in size.

I trust that with these revisions you will be able to consider this application more favourably.

Yours faithfully

[redacted]

B.A.Smith
