To: GrffK84@aol.com

Dear Mrs Griffin

Thank you for your email. I have discussed the matter with my team leader and I find the black and white sign to be acceptable.

In order that we can update your planning application to reflect this change, please could you submit new photographs with the Tower Farm sign moved to it's new position (closer to the road) and then a template, which could be the old sign turned over to show a blank side, under the Tower Farm sign to indicate where the sign is proposed to be hung. Then send me an email with this photo together with the proof for the black and white sign with the sign dimensions. The email should state that you wish the previous sign to be superseded with the black and white sign. Please also include the dimensions of the new sign in metric.

I would be grateful if you could send me this information by the 23rd March

thanks
Heather
