Dear Sir,

Thank you for your letter of 17/04/2012.

Southern Water requires a formal application for any new connection to the public foul and surface water sewer to be made by the applicant or developer.

We request that should this application receive planning approval, the following informative is attached to the consent:

"A formal application for connection to the public sewerage system is required in order to service this development, please contact Atkins Ltd, Anglo St James House, 39A Southgate Street, Winchester, SO23 9EH (tel 01962 858688), or www.southernwater.co.uk"

The application contains a proposal for vehicle washing facilities. Areas used for vehicle washing should only be connected to the foul sewer after consultation with Southern Water. The applicant is advised to discuss the matter further with Southern Water's Trade Effluent Inspectors. Please see <https://www.southernwater.co.uk/BusinessCustomers/wasteServices/tradeEffluent/> for further information.

Land uses such as general hard standing that may be subject to oil/petrol spillages should be drained by means of oil trap gullies or petrol/oil interceptors.
