Dear Sir,

TOWN AND COUNTRY ACT 1990, SECTION 174 AND SCHEDULE 6
PLANNING AND COMPENSATION ACT 1991
APPEAL BY MR MICHAEL PUTTICK
LAND AT 21 SANDYFIELD CRESCNET, COWPLAIN, WATERLOOVILLE, HANTS

With reference to The Planning Inspectorate letter dated 23 May 1996 and received 23 June 1996 as indicated in Reference B, I wish to report that the said beam has been removed from the mast, in accordance with the instructions.

In view of my application failing on the grounds that the aerial is larger than the previous aerial installed, would this indicate that if a replacement aerial of the same dimentions could be found second hand, **this could be installed on the mast to replace the original that had been in place 18 years?**

Yours faithfully,

M. Puttick
