DESIGN & ACCESS STATEMENT

Use

To allow the property to be warmer in the winter and stop the draft from coming in.

Amount

The proposal is to replace and increase one single glazed timber casement with clear glazing with one white double-glazed UPVC windows.

Scale

There is a slight change in the size of the proposed window to the existing kitchen window, increasing the width to 1790mm.

Appearance

The proposed window for the kitchen is similar to the existing designs – with an increase in size and provision of two side-opening vents and one top-opening vent.

If you require any further information, then please do not hesitate to contact me.

Yours sincerely,
