National Policies

PPS 1	(Delivering Sustainable Development)
PPS 9	(Biodiversity and Geological Conservation)
PPS25	(Development and Flood Risk)

The Council considers, having regard to the objectives of these policies, that the principle of the development is acceptable in this case, and also that the impact of the development is acceptable in terms of the effect on the character and appearance of the area and flood risk. Having taken into account the requirements of Section 38 (6) of the Planning and Compulsory Purchase Act 2004 and all other material considerations, the Council has determined that planning permission should be granted for the development.

(1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6573.

(2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.

(3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning and Development service at the Civic Offices or by telephoning 023 9244 6015.

(4) All reasonable precautions should be undertaken in accordance with Environment Agency guidelines, to ensure no pollutants enter the watercourse.

(5) All those involved with the works should be informed of the status and legal obligations attached to the designation of the adjacent nature conservation area and where the boundary of the protected site is.
