6. Condition(s) - Removal

Please state why you wish the condition(s) to be removed or changed:

The reason for condition 12 stated that it was necessary, 'in the interests of highway safety and to ensure that sufficient on site car parking is available'.
The flat has been allocated one car parking space which is located within the garage block to the rear of the site. In addition to this, the property is on a bus route. In our opinion, should the age of the occupiers of the flat deviate from this condition, highway safety would not be jeopardised. For these reasons we believe that the above-mentioned condition would be considered unnecessary and, therefore, we have submitted this application to request that it be removed.

If you wish the existing condition to be changed, please state how you wish the condition to be varied:
