Dear Mr Oliver

Thank you for visiting the College to allow me to further explain the application for change of use of the College Sports Hall.

The application we have made is to cover any usage, not just volleyball, but I foresee only occasional use. The Sports Hall is used by students Monday to Friday from 8.30am – 5.00pm every day and I would need to maintain the quality of the hall so usage by outside parties would be minimal. The Sports Hall does not have any viewing facilities so the likely numbers on site at anyone times is not likely to exceed 25-30 people.

The letting of the hall would be at times when students and staff are not on site so the car parks would be empty.

In summary the College would like to provide limited usage of the Sports Hall at times convenient to the College but not to the detriment of the quality of the facility. The all weather pitch is used evening and weekends by Havant Hockey Club and this has not caused any issues to date.

Please let me know if you require any further information.

Yours sincerely

Guy Blagdon
