**Application for tree removal, Church Farm, Northney ,
Hayling Island, Hants.**

- Dear Sir

I understand that Mr & Mrs Graham Cunningham of Church Farm, Church Lane / St Peters Road, Northney, Hayling Island have applied for permission to remove a Monterey Pine tree fronting on to St Peters Road.

My own property is directly opposite to the said tree on the other side of the road and has grown significantly over the years to an extent that it overhangs the road and if left will almost certainly soon cause problems with the telephone pole and wires.

I write to support the application and request that you give it the due consideration it deserves.

Many Thanks and Yours Faithfully

Cc. G.Cunningham – Church Farm
M.Rhodes – Church Cottage
