Dear Sir/Madam

Re: Appeal Against Enforcement Notice -
Land at 21 Sandyfield Crescent, Cowplain
Mr M Puttick

Thank you for your letter dated 5 October 1995 concerning the above appeal.

My wife and I have lived at this address since 1961 and we are original residents in this road.

I would like to record the fact that at no time have we had cause to complain or be inconvenienced by Mr Puttick's radio aerial: we have not suffered any radio interference and we do not consider the aerial detrimental to our outlook.

I believe the aerial was installed sometime in 1972 and as such we have become accustomed to it and do not feel it should now be necessary for him to dismantle it.

Yours faithfully

Mr R J West
