Dear Sir/Madam,

RE: PROPOSED INSTALLATION OF A MEDIUM ALL WEATHER CABIN AND THE REMOVAL OF 2 NO EXISTING HARSH ENVIRONMENT ENCLOSURE CABINETS.

This application is submitted under Part 24 of Schedule 2 to the Town And Country Planning (General Permitted Development) Order 1995, as amended by the Town And Country Planning (General Permitted Development) (Amendment) (England) Order 2001 and in accordance with the electronic communications code under the Telecommunications Act 1984 Schedule 2 as amended by the Communications Act 2003.

This is an application for a determination as to whether the prior approval of the Authority will be required for the siting and appearance of the proposed installation of an Airwave medium all weather cabinet.

Airwave Solutions Limited (Airwave) owns and operates the public safety network in Great Britain. The Airwave service was commissioned by the Home Office and is a fully integrated, digital radio communications network service. Part of the UK's Critical National Infrastructure, the Airwave service is a dedicated system for the exclusive use of the emergency services of England, Scotland and Wales, including the Police, the Fire and Rescue Service and the Ambulance Service, as well as other public safety organisations. Operating on a 24/7 basis, the service provides essential day to day communications and mission critical secure voice and data communications to these organisations.

This application comprises:

- Written description of the proposed development - The proposed development will consist of the installation of a medium all weather cabin, which will replace two existing harsh environment enclosure cabinets and ancillary development. The cabin will be located on the rooftop of Langstone House.
- Langstone House, Lockerley Road, West Leigh, Havant, Hants, P09 2HF NGR E472181 N107421 – Defined with plan indicating its location numbered drawing HAM038-GA-01
- Prescribed fee of £335 (Cheque made payable to Havant Borough Council)
- Copy of Developer's Notice

- Site Specific Supplementary Information

As you will be aware, the telecommunications industry has pledged in the Code of Best Practice for Mobile Phone Network Development (November 2002) to improved consultation with Local Planning Authorities and the public in relation to network development and the siting of radio base stations. This application has been prepared in accordance with those commitments.

We are committed to improving our relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application or in general.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
